Vice Chancellor Chairs Strategic Meeting regarding Admission Campaign

The Vice Chancellor chaired a strategic meeting at the Regional Campus Lahore dated 3rd July 2026 to review and discuss strategies for enhancing admissions for Semester Autumn 2026. The Director General Regional Services (DGRS), his team, and Regional Directors from Punjab attended the meeting in person, while officers from the Directorate and Regional Directors from other provinces participated online. DGRS presented an overview of the ongoing admission campaign and emphasized continuous monitoring & coordination with stakeholders.

The Vice Chancellor appreciated the encouraging admission trends across the Regional Campuses and

urged all participants to intensify outreach efforts & adoption of innovative strategies to achieve admission targets.

In concluding remarks, the Vice Chancellor appreciated DGRS, Regional Directors, and all participants for their dedication and valuable contributions. He expressed confidence that, through collective efforts and sustained commitment, the University would successfully achieve its targets in coming semesters. DGRS & VC also extended special thanks to Regional Director Lahore, Mr. Aman Ullah Malik, and his team for successfully organizing the Regional Directors Conference and contributing to its smooth conduct.

Meeting with Vice Chancellor regarding offering of short courses via regional network under banner of Center of Lifelong Learning (CLL)

A meeting was held under the chairmanship of the Vice Chancellor to discuss the offering of skill-based short courses by the Directorate of Regional Services (DRS) under the banner of Center of Lifelong Learning (CLL).

During the meeting, the Director General Regional Services (DGRS), delivered a comprehensive presentation outlining the implementation plan for launching and managing these courses. The initiative aims to equip learners with market-relevant skills, enhance their employability, and promote lifelong learning through flexible, short-duration training programs.

The DGRS highlighted the objectives, implementation strategy, target audience, and operational framework for the proposed courses.

It was shared that the Center of Lifelong Learning has already initiated a number of skill-based short courses in various disciplines.

Following courses have been offered from RC Multan in collaboration with **iSkills**:

- Etsy Market Place & Digital Product Bussiness
- E-Commerce
- YouTube Automation & Monetization

Following course has been offered by RC Lahore in collaboration with **PreUniversity**:

- Python & Machine Learning

Proposals regarding offering of courses have been shared from other regions and will be implemented in next phase.

Salient features include :

- Continuing students of university can also avail this opportunity.
- All courses are available in online mode.
- Learners from all over country can be enrolled in offered courses.

A dedicated portal is available for course registration, which can be accessed at the following link:

Creating Opportunities for Learning at Every Stage of Life

Learning Beyond Boundaries: How AIOU is Shaping Pakistan's Lifelong Learning Future

In an era characterized by rapid technological advancement, changing workforce demands, and the continuous need for upskilling and reskilling, lifelong learning has become a necessity rather than a choice. Recognizing this global shift, Allama Iqbal Open University (AIOU), Islamabad, has established the Centre for Lifelong Learning (CLL) as a dynamic platform dedicated to promoting continuous education, professional development, and community empowerment. The Centre serves as a hub for flexible learning opportunities designed to meet the needs of diverse learners, including students, professionals, educators, entrepreneurs, women, youth, senior citizens, and marginalized communities. The CLL in collaboration with Directorate of Regional Services, AIOU has potential to reach and meet the needs of diverse communities with the help of its 53 regional campuses spread across all the corners of Pakistan.

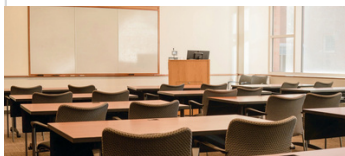

OUR VISION & MISSION

VISION

To become Pakistan's leading hub for lifelong learning, fostering innovation, inclusivity, and continuous professional growth.

MISSION

Providing accessible, flexible and high-quality educational opportunities that support personal, professional and social development.

OUR PROGRAMMES

Capacity

RECOGNITION OF PRIOR LEARNING (RPL)

Recognizing Skills Acquired Beyond Classrooms

Many Pakistanis acquire valuable skills through work experience, apprenticeships, and self-learning. Through recognition of prior learning (RPL) the Centre for Lifelong Learning (CLL) assesses, validates and certifies these competencies, creating new opportunities for employment, career advancement and further education.

KEY BENEFITS

- Formal Recognition of Skills
- Better Employment Opportunities
- Career Progression
- National Qualification Framework Alignment
- Pathway to Lifelong Learning

OUR PARTNERS

Our Presence: Regional Center Quetta: Expanding Access to Education

Mr. Iqbal Baloch
RD Quetta

Regional Center (RC) Quetta Allama Iqbal Open University was established in 1976 to support distance learning students in Balochistan. Located on Eastern Bypass, Takhtani Road, Quetta, the campus serves as a key educational hub for learners across the province.

Mr. Muhammad Iqbal is currently serving as the head of Allama Iqbal Open University Regional Campus Quetta in the capacity of Additional Director Regional Services. He joined the AIOU Regional Campus Quetta as Regional Head in 2023. RC Quetta is responsible for managing academic, administrative, and student support activities of the region and has been actively contributing to the promotion of distance education and educational development across Balochistan.

The RC facilitates students enrolled in programs ranging from Matriculation to PhD level through distance education with special focus on marginalized groups.

The University provides essential academic and administrative support services, including admissions, tutor allocation, examinations, and student guidance. It places a strong emphasis on expanding access to education in remote and underserved areas of Balochistan through various initiatives, including the Free Matric Program for eligible students. These efforts reflect the University's commitment to promoting inclusive and accessible education across the province.

ALLAMA IQBAL OPEN UNIVERSITY

CONVOCATION 2025

BALUCHISTAN CHAPTER

From Learning to Legacy, We Rise

Regional Center Quetta is committed to providing quality and inclusive education across **10 districts** of Balochistan, covering **23 tehsils** and serving students in both urban and remote rural areas. Every year, the campus facilitates the education of approximately **22,000 students** annually with **47% female enrollment**, reflecting our strong commitment to women's education and equal access to higher learning. To support academic activities, the campus operates **9 examination centers** and appoints around **500 tutors** annually, ensuring quality academic guidance for students. Under the University's Corporate Social Responsibility (CSR) and Free Education initiatives, financial assistance of approximately **Rs. 1 million** is provided annually to deserving and underprivileged students.

RC Quetta has successfully organized the 2nd AIOU Convocation in Quetta and the Laptop Distribution Ceremony in recent past for further strengthening educational opportunities in the region.

Regional Campus Quetta remains dedicated to expanding access to higher education and empowering the people of Balochistan through quality distance learning.

Directorate of Regional Services, AIOU

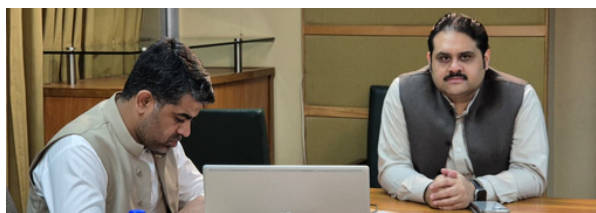

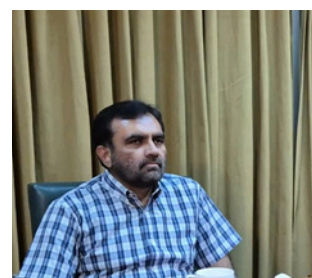

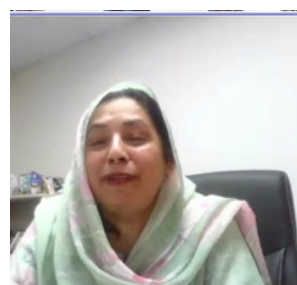

Capacity Building Training for AIOU Regional Officers

Directorate of Regional Services, Allama Iqbal Open University (AIOU), successfully organized a five-day Capacity Building Training Programme for Regional Officers from 04–11 May 2026 . The programme brought together Deputy Regional Directors and Assistant Regional Directors from across Pakistan with the objective of strengthening their professional competencies, enhancing leadership capabilities, and equipping them with modern administrative and digital management skills to improve service delivery across the University's regional network.

The training featured a distinguished panel of resource persons from academia, public policy, administration, technology, quality assurance, finance, and international development.

The training focused on Strategic Leadership, Educational Governance, Digital Transformation, Quality Assurance, and Student Support Services, while providing hands-on training in AIOU's digital systems. Through interactive sessions and practical learning, participants strengthened their leadership and administrative competencies, reinforcing AIOU's commitment to professional excellence and improved service delivery across its regional network. The initiative also fostered collaboration and knowledge sharing among regional officers, promoting a more efficient and student-centered approach to regional operations.

TWO-WEEK SUMMER CAMP 2026

AIOU REGIONAL CAMPUS KARACHI

Allama Iqbal Open University Regional Campus Karachi successfully organized a Two-Week Summer Camp 2026 from 22 June to 3 July 2026 at the Regional Campus Karachi. The summer camp was arranged to provide students with a productive, creative, and culturally enriching learning experience during the summer break.

A total of 23 students participated in the camp and remained actively engaged throughout the program. The camp was designed as a unique platform to promote learning, creativity, confidence, and cross-cultural understanding among young learners. Special emphasis was given to introducing students to Turkish culture through a variety of interactive and skill-based activities.

During the camp, students explored the art of Ebru (Traditional Turkish Marbling Art), which allowed them to express their creativity and develop artistic skills. They also learned the basics of the Turkish language, enabling them to become familiar with a new language and cultural expressions. In addition, archery sessions were conducted to enhance students' focus, discipline, and self-confidence.

The Summer Camp 2026 proved to be a highly successful initiative, providing participants with a valuable combination of education, creativity, cultural exposure, and recreational learning.

Observance of the First Anniversary of Marka-e-Haq

Meeting with Executive Director IBCC

Dr. Malik Tauqir Ahmad, Director General, Regional Services, along with Syed Zia-ul-Hasnain Naqvi, Director Admissions, visited the Executive Director of IBCC, Dr. Ghulam Ali Mallah.

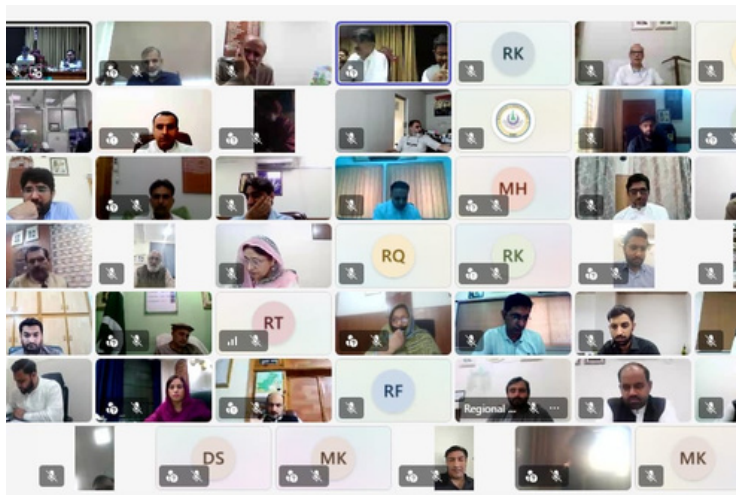

A detailed meeting was held to discuss matters related to the verification and attestation of university degrees. Both sides exchanged views on improving coordination and streamlining the verification and attestation process to facilitate efficient service delivery.

Online Meeting with Regional Directors

An online meeting with all Regional Directors was conducted dated 20.05.26 to review and monitor the progress of admissions across the regions. The meeting focused on assessing the outcomes of the strategies implemented to enhance admission performance in the respective regional campuses.

A detailed report regarding updated trends was shared team DRS. Analysis report included latest trends regarding fresh and continuous students. Further more provanice wise and regionwise data was also shareed for insights.

The Director General Regional Services (DGRS) reviewed the overall admission progress and noted the effectiveness of ongoing initiatives. He emphasized the importance of context-specific strategies tailored to the unique needs of each region to further improve admission outcomes in coming semesters. All Regional Directors participated online and shared updates on their respective regions, including progress, challenges, and planned measures to strengthen the admission campaign.

Director General Regional Services Dr.Malik Tauqir Ahmad congratulated Prof. Dr. Syed Muhammad Amir Shah on his appointment as Dean of the Faculty of Social Sciences and Humanities at Allama Iqbal Open University.

We wish him success in advancing academic excellence, research, and innovation in the field of social sciences and humanities.

DGRS Dr.Malik Tauqir Ahmad , accompanied by Dr. Ahmer Zulfiqar, RH Sahiwal visited COMSATS University Islamabad, Sahiwal Campus, to congratulate Dr. Shahid Sorya on assuming the charge of Director of the campus. During the meeting, they conveyed their heartfelt congratulations and extended their best wishes for his successful leadership and continued progress of the institution.

Strengthening partnerships for future collaboration

A productive meeting was held at Directorate of Regional Services between Mr. Abid Gill Deputy Chief Advisor JICA and Dr. Maiik Tauqir Ahmad, DG Regional Services.

Matters of mutual collaboration, institutional cooperaion, and future initiatives were discussed in meeting.Officers of Directorate also attended the meeting.

Prime Minister Youth Laptop Scheme

Laptop Distribution Ceremony at RC Skardu

Under the flagship initiative of the Prime Minister's Youth Laptop Scheme (PMYLS), laptop distribution ceremony was conducted at RC Skardu to provide laptops to eligible students.

The Vice Chancellor chaired the ceremony, while the Director General Regional Services (DGRS) and Director Student Advisory were also present. VC emphasized the importance of digital literacy and urged students to make productive use of modern technology to achieve academic excellence and contribute positively to society. The Prime Minister's Youth Laptop Distribution Ceremonies were held at Regional Campus (RC) Karachi, Moro, Muzzafrabad, Mirpur, Lahore, Faisalabad, and Gujranwala, Sahiwal and Multan. Eligible students were awarded laptops under the Prime Minister's Youth Laptop Scheme.

Online Meeting with Regional Directors

An online meeting was conducted dated 16.06.26 to discuss the overall status of admissions, examinations, online workshops, and other allied academic and administrative matters. Participants reviewed ongoing activities, shared updates, and discussed strategies to ensure the effective implementation of academic programs and institutional initiatives. Strategies for upcoming admission were also discussed in detail.

Our Presence: Regional Center Lahore: Expanding Access to Education

Mr. Aman Ullah Malik
RD Lahore

Established in 1976, the Regional Center (RC) Lahore of Allama Iqbal Open University (AIOU) has been serving distance learners in Lahore and surrounding areas for nearly five decades. A major milestone in its journey came in 1990, when the campus moved to its own purpose-built premises, significantly enhancing its capacity to provide quality student support services.

Today, the campus features two purpose-built academic and administrative buildings equipped with modern facilities, including e-classrooms, a video conferencing room, an auditorium, examination halls, and two well-equipped computer laboratories. These resources support teaching, learning, examinations, training, and a variety of student engagement activities.

Under the guidance of the Directorate of Regional Services and the leadership of Regional Director Mr. Aman Ullah Malik, the campus serves approximately **28,000** students each semester. Backed by a dedicated and experienced team, it remains committed to delivering efficient academic and administrative support. The campus is also actively managing **six batches of BS Computer Science (BSCS) students**, further strengthening its contribution to expanding access to quality higher education.

Beyond academic support, AIOU Lahore regularly organizes a variety of student development and co-curricular activities, including speech and debate competitions, seminars, motivational and social awareness lectures, sports galas for BSCS students, celebrations of national days and events, and laptop distribution ceremonies. These initiatives promote student engagement, personal development, and community awareness.

The campus leadership has also focused on projecting a positive and progressive image of AIOU through participation in educational expos and public outreach events held throughout the year. Special emphasis is placed on inclusive education, with dedicated efforts to facilitate students with disabilities, jail inmates, and other marginalized communities, ensuring access to educational opportunities for all segments of society.

With its modern infrastructure, student centered services, and commitment to inclusivity, AIOU Regional Campus Lahore has emerged as a vibrant hub of educational activities, playing a pivotal role in advancing the University's mission of providing accessible and quality education to distance learners across the region.

The campus leadership has also prioritized enhancing the positive and forward-looking image of AIOU by actively participating in educational expos and public engagement initiatives organized throughout the year.. RC Lahore serves students across 10 tehsils and reaching students in both urban and rural areas. With approximately 24,693 students enrolled in the Spring semester, the region continues to expand access to quality education. To support academic activities, **30 examination centers** are operational, and around **500 allocated tutors** are associated with the Regional Campus. The center provides financial assistance of approximately Rs. **11 million** to around **300 deserving students**. Enrollment has shown steady growth under the leadership of the Regional Director Mr. Aman Ullah Malik. RC Lahore remains committed to expanding educational opportunities and fostering academic excellence in the region. With its modern infrastructure, student centered services, and commitment to inclusivity, AIOU Regional Campus Lahore has emerged as a vibrant hub of educational activities, playing a pivotal role in advancing the University's mission of providing accessible and quality education to distance learners across the region.

Tribute and Farewell in Honour of Mr. Aman Ullah Malik on His Retirement

A formal farewell dinner was arranged in honor of Mr. Aman Ullah Malik, Regional Director Lahore, on the occasion of his retirement. The event was held to acknowledge and appreciate his distinguished services, professional dedication, and significant contributions to the University throughout his tenure.

The Vice Chancellor, the Director General Regional Services, and other senior officials conveyed their best wishes for his future endeavors and appreciated his role in strengthening the University's regional operations.

Mr. Aman Ullah Malik expressed his profound gratitude to the Vice Chancellor, the Director General Regional Services, and all colleagues for acknowledging his services & contributions.

Regional Heads of Punjab Province also attended the event and extended their best wishes to Mr. Aman Ullah Malik for his future endeavors. They appreciated his professional contributions and leadership during his tenure and acknowledged his efforts in strengthening coordination and performance across the regional network.

He thanked the University leadership and his team members for their cooperation and support throughout his tenure and appreciated the cordial working relationships he experienced during his service.
